**Games to Play in Five Minutes or Less!
Box of Silly Word Games offers 25 Quick to Play Activities**

SOUTH NORWALK, CT – Great American Puzzle Factory knows how to take advantage of that extra minute by adding the “fun” element to those brief, spare moments we all have throughout the day. **A Box of Silly Word Games** is a unique game that offers 25 fantastic quick-to-play games all in one cute, cubed box.

Designed for two or more players, ages 8 and up, each card gives instructions for a word game, approximate play time, number of players needed and materials to use, which are all included in the game. Here’s just a sampling of the fun you will have...

License Plate Lingo – For a Fun Game, Follow that Car!

Approximate Play Time: 2 minutes

Number of Players: 2 or more

Materials Needed: Pencil, Paper and Egg Timer (all included in the game)

Object of the Game: Write a list of words using letters found on a license plate

Initially Yours – Your Initials are just the Beginning!

Approximate Play Time: 10 minutes

Number of Players: 4 or more

Materials Needed: None

Object of the Game: Answer questions using words beginning with your initials.

Using your quick thinking clever mind, a pencil, a pad, die or egg timer, **A Box of Silly Word Games** is sure to entertain whether you are at home, in a car, on a plane, camping or even during sleepovers. SRP is \$11.99 – Stop by Booth #343 at Toy Fair 2007 to learn more.

About Great American Puzzle Factory

Great American Puzzle Factory, Inc. has been making award-winning puzzles and games since 1976. Puzzles for the first-time puzzler or the experienced puzzler, as well as board games, card games and travel games are the core product lines. In addition, the company is known for recognizable licenses, including Jelly Belly[®], Crayola[®], Garfield[®], John Deere[®] and NAMiTS[®].
